

Soroptimist International of Port Angeles Jet-Set Jet-Streams

Volume 8

July 2015

MESSAGE FROM PRESIDENT JUDI

First, I want to thank the Social Committee for the fantabulous installation dinner on June 22. It was the funniest and most meaningful thing I've been a part of in recent memory. Thanks a whole bunch.

Soon after that fun event on the following Saturday I traveled with my roommate Becky, Martha and Loretta to Turkey to attend the International Soroptimist Convention and prior to that, take an 8-day tour of Western Turkey with them and a total of 32 Soroptimists and their husbands from around the world. Both the tour and the convention were awesome.

Probably the most awesome thing for me was entering conversations and listening to Soroptimists from parts of the world that I had previously visited.

Finally, we're now beginning a new year with a newbie President who doesn't know and doesn't pretend to know all of the history and protocol of Soroptimist International. So . . . please bear with me while I stumble through, with lots of help and kindness from you, the 2015-2016 Port Angeles Jet Set Soroptimist year.

Upcoming Programs

August No Meetings - **Enjoy your month off!**

Upcoming Events

Federal Lunch Program by Boys and Girls Club

Meet the 2015 Team!

By Martha Hurd and Judy Owen

Christie Honore will be a sophomore at Vassar and is a Theater major. She grew up in Sequim. Sometimes she went to the Boys and Girls Club in Sequim when her mom had to work. "It wasn't really 'til last year I saw how great a resource the Boys and Girls Clubs are for members of the community and how rewarding it is to feed all the children who need it. The Boys and Girls Club is empowering for girls to have a place to pursue their passions with children of both genders whether their passions are sports, arts or whatever they are interested in."

Sarah Stoffer is currently a senior at Boise State majoring in History. She grew up in Sequim and went to the B&G Club after school when her parents were working from 3rd-5th grade and a few times during high school. After high school graduation, she came back to work with the Food program. This is her 3rd year. "I love that the B&G Club gives kids a safe place to go after school and there are just so many good programs to help them as they grow: running, sports, cooking, and homework clubs; teen field trips, and junior rangers. As a girl, I liked hanging out there with my friends."

From left Linda Sudela, Sarah Stoffer, and Lorene Douglas (B&G Club Director of Finance)

Mariah Crowley and Judi Hoffman

Mariah will be a senior at Tufts University this fall majoring in archeology (Greek and Latin). She grew up in Port Angeles and attended the after school Parks and Rec program. "To me, the B&G Club is a great place for kids to interact, explore their interests, and have a good time. They have good programs for girls like the Imagine Her Program which I got to observe with Mary Budke. I liked how happy the girls were to participate and what it meant to them as they were in transition from middle school to high school at the PA club last summer."

Federal Lunch Program by Boys and Girls Club Meet the 2015 Team!

(continued)

Cole Tamba

Cole just graduated from Port Angeles High School. He has been at the club for 10 years as a member and on staff. "The Club is my Family. It's a good place for everyone!" He is on his way to Louisville to compete in the Skills USA for Cabinet Making next week, and then on to Atlanta, GA to visit the Boys and Girls Club of America Headquarters. He will go into the Army in September as a Machinist. Good Luck Cole, we will miss you!

Elizabeth is a Junior at Sequim High School. She runs Cross Country in Track and plays Clarinet and Bass Clarinet in the Band. She is working for the Boys and Girls Club mostly in Sequim this summer. She is also a Girl Scout. Pleasure to meet you Elizabeth!

Thanks to Jet Setter Loretta Commet for coordinating our involvement this year. She did a wonderful job. Way to go, Loretta! Judi Hoffman, Linda Sudela, Judy Owen, Jean Hordyk, Margie Castle and Martha Hurd (along with Jill Oakes, Edie Beck and RuthThomson trained and ready to step in) helped serve lunches at 5 locations this year.

Elizabeth Rosales
