May 2015

MESSAGE FROM PRESIDENT BECKY

Greetings Club Members!

I am sitting here totally stunned at how fast this year has flown by! I barely have a month left to serve as your President! Where has the time gone?

I had the privilege of going to the Scholarship Awards Program with President-Elect Judi Hoffman to represent our club for the high school scholarships our club will be awarding this year. It was an amazing and wonderful evening. I am always totally awe struck by the generosity of this community. From Port Angeles alone there was more than \$517,000 in scholarships handed out. That is huge for such a small community. And there was \$5.7 million in total scholarships awarded. I was so proud of how hard these kids have worked, the colleges they want to go to, and the many interesting majors/ careers they have chosen to pursue. We should all be proud of these students.

It is also very rewarding to have the young women we awarded scholarships to come up to thank us. They were so excited and just “glowing”. These scholarships truly make a difference and they were very grateful to have been chosen. Sometimes I think the fact that someone picked them carries more weight than the actual dollar amount of the scholarships. They are honored to be picked. I hope many of the honorees will be able to attend the scholarship breakfast on June 11th.

There are lots of activities happening in June – our annual spelling bee, a rummage sale, Relay for Life, Discovery Marathon, and a McTakeover – and of course installation! I am so excited for Judi Hoffman. I know she will be a great President.

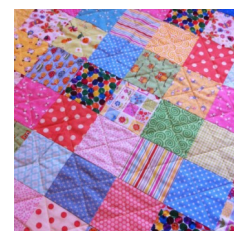

I want to thank all of those who have served with me this year. You have made my time as President so much easier and have been such a help to me. I also want to thank those who are stepping up to serve next year. All of the jobs needed to help run our club are very rewarding and each person brings their own set of talent and skills to each job. I know next year will be awesome just as this year has.

In June the breakfast will be a sort of pot luck. No one single committee is in charge. So I know from all of the fabulous cooks we have that we should have an awesome month for breakfast. If you have been dying to try a new recipe or have one that you know we already love – please bring it. EVERYONE is on the breakfast committee in June!

Looking forward.....

President Becky
